It has been especially fun for TAD's tiger to follow the activities of the faculty this year, for he not only observed them in the classroom where they are experts in their particular fields, but he also saw them in after-school activities, which demand equal time and attention. After school TAD's tiger saw the faculty work long hours on such things as Deviltries, publications, and class plays. In the evening he attended the club meetings where faculty advisers help with a very important phase of DeVilbiss life. Yet with so much to do for school, the teachers found time to enjoy themselves with meeting and social events in the school, and in the community. TAD's tiger realizes that teachers are people of many interests and unlimited energy. The students of DeVilbiss are fortunate to have such a faculty and recognize the great contribution their teachers have made to them.

Merritt C. Nauts

TAL is happy to present Mr. Merritt Nauts, our principal, as the one who made DeVilbiss what it is today. A man of many activities, his primary interest is DeVilbiss High School.

Mildred A. Pasch

Mr. Mildred Pasch, Counselor of Girls provides firm but fair counsel. One always finds her willing to lend a helping hand.

Russell G. C. Brown

Mr. Russell Brown, Counselor of Boys is the person that the boys can look upon as a good friend. His advice is always available to them.

Irvin C. Conrad

Mr. Irvin Conrad, Director of Classes and Curriculum takes care of the many minute details of arranging classes and supervising scholarship tests.

Robert E. Rettig

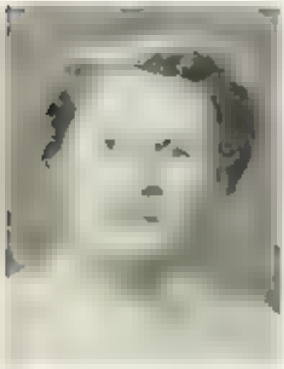

Mr. Robert Rettig is our busy Director of Activities. Who can forget such a man? He's as much a part of DeVilbiss as our TAD's tiger is.

Classes

TAD's tiger has been following the Freshman, Sophomore, Junior, and Senior classes to their classrooms since early fall, and he has also attended all dances, plays, and other class functions. TAD's tiger liked to attend the classes and watch students eagerly participate in class discussions and debates, solve difficult math problems, learn with fascination the mysteries of science, and study and interpret the works of great writers. He was proud to watch the many DeVilbiss students achieve high scholastic honors and public recognition. TAD's tiger was also proud of the support the students gave to their class projects. He knows that the daily classroom routine, the individuals in those classes, plus the class activities will constitute the precious memories that graduates will have in years to come.

The text is organized into several distinct blocks, each corresponding to a row of portraits. The overall layout suggests a yearbook or a similar commemorative publication.

Seven hundred and fifty new faces joined us here at DeVilbiss this year as Freshmen. The class of '60, under the advisership of Mr. Brown and Miss Pasch, embarked upon a successful high school career. The Frosh took part in every phase of student life by taking the lead on the

and participating in athletic and regular activities. All of this, along with a tremendous school spirit shown at athletic events, that the class has the determination, ability, and willingness to make an outstanding contribution to the school.

Student Activities

When TAD's tiger began to look into student activities, he had difficulty in planning his day so that he would not miss anything. He had to run between the Pot O'Gold and the Prism rooms in order to keep up with last minute changes, as well as take pages of notes at Student Council meetings, and lend an ear to band, choir, and orchestra rehearsals. TAD's tiger enjoyed the theatrical productions where he could sit comfortably and share with the audience the result of many hours of work. Student Activities play a very important part in every student's life. These activities often inspire a person to enter a field of occupation or bring out talents that had not been developed. For someone with no particular ability, an activity means a place and a time to work and make new friends. Though the activities demand many hours after school, they also give to the student a feeling of pride and satisfaction for the work accomplished.

Pot O' Gold

Barbara Farkas and Mary Ann Diemer, 1)

In very early 1941, a group of students began working in the Park Area. They were responsible for the maintenance of the area. One of the first things they did was to plant flowers. They also took care of the trees and shrubs. The students were always busy with their work. They were very dedicated and hardworking. They were also very friendly and helpful. They were always ready to help anyone in need. They were also very creative and imaginative. They were always coming up with new ideas and projects. They were also very organized and efficient. They were always getting things done. They were also very responsible and reliable. They were always keeping their promises. They were also very honest and truthful. They were always telling the truth. They were also very kind and caring. They were always treating others with respect and dignity. They were also very brave and courageous. They were always standing up for what they believed in. They were also very smart and intelligent. They were always learning and growing. They were also very happy and content. They were always enjoying their work and life. They were also very grateful and appreciative. They were always saying thank you to everyone who helped them. They were also very generous and giving. They were always sharing their knowledge and skills with others. They were also very patient and understanding. They were always listening to others and trying to understand their point of view. They were also very flexible and adaptable. They were always going with the flow and accepting change. They were also very resilient and strong. They were always overcoming their challenges and achieving their goals. They were also very confident and self-assured. They were always believing in themselves and their abilities. They were also very optimistic and hopeful. They were always looking for the bright side of things. They were also very curious and inquisitive. They were always asking questions and seeking answers. They were also very creative and innovative. They were always coming up with new ideas and solutions. They were also very hardworking and diligent. They were always putting in their best effort and giving their all. They were also very disciplined and focused. They were always staying on task and not getting distracted. They were also very organized and systematic. They were always planning and scheduling their work. They were also very detail-oriented and thorough. They were always paying attention to the little things and making sure everything was done correctly. They were also very professional and courteous. They were always treating others with respect and dignity. They were also very polite and respectful. They were always using proper etiquette and manners. They were also very responsible and accountable. They were always taking ownership of their work and being responsible for the results. They were also very honest and transparent. POT O' GOLD

DIRECTOR

The Medalist Award

Achievement of the ultimate, rewarding recognition in any endeavor only comes through the constant and laborious effort of many over a period of time. The awarding of the Medalist rating for the 1956 anniversary edition of the Pot O'Gold by the Columbia Scholastic Press Association of Columbia University was one such example. From a beginning of sixty-four pages in 1932 to one hundred ninety-six pages and the twenty-fifth anniversary of Thomas A. DeWitt High School in 1956, one cannot help but envision the editors, business managers, and staffs who have contributed their thoughts and talents to make us now the thankful recipients of this honor. To them we extend our gratitude. Nor should we forget the advisers (all of them) who have worked over the years to keep our life's ideals and material standards ever high. And to the faculty and administration for the trust, patience, and encouragement they have shown over the years, we most humbly acknowledge our sense of obligation.

Peeking into the Prism room, TAD's tiger sees much activity. In the Business Department some people solicit advertising from business firms in the area, while others collect subscription money from the student body. Long columns of figures must be computed accurately. The Business Department is an important phase of Prism work.

Junior Play

Men are like street cars, if you miss one, there will be another one along soon." This was the philosophy set forth by this year's Junior Play "Men Are Like Street Cars". Under the direction of Mr. J. N. Klee, with Marion Grover and Byron Durr as chairmen, this three act play by Anton Chekhov was successfully presented by the Junior Play Guild on April 13.

... "January Thaw"

As the house lights dimmed on the crowded auditorium the curtain rose on the comedy play "January Thaw." In the wings actors shivered nervously, waiting for their cue to go on stage while the rest of the behind the scenes crew crossed their fingers for a smooth performance. There was no need for all this anxiety since the Senior cast under the direction of J. Norman Klee played their parts to perfection and carried the audience into the world of make believe. The play was a comedy and when the curtain closed the audience applauded and greeted the players with a round of applause. For the long hours of rehearsal and the hard work provided the school with a most delightful entertainment.

amigations

It seemed an almost impossible task when TAD's tiger announced he would visit all organizations at DeVilbiss, but this he has done; and though his head swam with the numerous ideas, suggestions, and debates that took place at the meetings, he is positive he would not want them changed. There are different types of clubs at DeVilbiss. The special interest club, for instance, may supplement background information which is not offered in the classroom. The literary clubs are for people interested in gaining more knowledge in outstanding literary writings and musical compositions. The social and service clubs serve as a fine means for friends to gather and to help the school and the community through service projects. No matter what the club, there is a common purpose which is to help the students think, plan, organize, as well as make lasting friendships.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

2. Next, gather relevant information and resources. This may include researching existing data, consulting experts, or reviewing relevant literature.

3. Once the information is gathered, it is important to analyze it carefully. This involves identifying patterns, trends, and potential solutions.

4. After analysis, a plan should be developed to address the problem. This plan should outline the steps to be taken and the resources needed.

5. The final step is to implement the plan and monitor the results. This involves putting the plan into action and evaluating the progress towards the goal.

Phililetheans

The Phils agree that the new program explains TAD's tier. The group, which Doerman Theater, took a trip to Detroit to see an outstanding movie, visited the Old Folks Home once every month to help the old people. At Christmas and Thanksgiving they gave a party for the inmates and went caroling at the Hospital during the winter months. As a result of the increasing literary interest at meetings the Phils gave book reviews and had various speakers on the subject of literature. Their social calendar were a dance, a luncheon, a Mother's Day Dinner, and a sleep-over. The Phils also gave a report on their activities at the TAD meeting and they will continue to give a report on their program.

"All a tiger. You can always recognize a Delphian when you see him wearing a vest with its crest of the mountain lion encircled with clouds and broken by a lightning. The goal of Delphi Literary Society is to provide an education in literature plus a balance of sports, service and social life in order to make the most of our members. The society is now undergoing great growth. This year we present an award to the most promising boy of the year. The Delphians are justly proud of their achievements. The club include historical re-enactments, discussions, attending concerts, and guest speakers such as Mitch Williams, Fred Mitchell, and Rudy Ertist. All of the Delphi Literary Society has been in existence for one year, TAD's tiger says. The society is rapidly and is a credit to all.

Zetaletheans

"My fair ladies," is TAD's tiger's boastful reply when questioned about the Zetalethean Literary Society. This group of girls has proved very active once again this year. Giving a Christmas program for the entire school, a slumber party, a card party, attending plays and movies as a group and numbering the seats in the auditorium are proof of their variety of interesting projects. The time and hard work spent on their Christmas decoration proved fruitful when they were awarded second prize by the Inter-Club-Council. Literary reports are given at every bi-monthly meeting. To promote interest in literature while acquiring everlasting friendship is their purpose and TAD's tiger agrees wholeheartedly that they certainly have accomplished this.

Freshman Hi-Y

"Building lasting friendship and good character is the basis of the Freshman Hi-Y", says TAD's tiger. With this in mind these eager and energetic Frosh entered DeVilbiss. They fell right into the spirit and routine of working together and bettering themselves and the school. Meeting at the West Toledo YMCA every other Monday night the boys certainly carried out a full and busy year. Along with a social lineup of two dances and a splash party they also performed their part in community service by donating quite a sum to the Hungarian relief and by selling Christmas trees for the "Y". As one of their main projects the club toured Champion Spark Plug Company. TAD's tiger agrees that these young men of tomorrow have certainly fulfilled their purpose and are fine assets to their community and school.

This year the boys had a lot of fun at their hayride and also on a weekend at Camp Storer cleaning up the camp. They also collected toys for the Christmas Cheer Fund. Thadevileans is their pledge to all, rich or poor; big or small - they are TAD's tiger. Thadevileans aided patients of Muscular Dystrophy by collecting money in the Porchlight Parade; aided foreign university libraries by sending American magazines; and aided their fellow students by painting benches on the stadium benches. Among other service projects, they gave a Thanksgiving basket to a needy family and donated money toward the new Thadevilean Center. For a little relaxation Thadevileans had a winter party where the girls and boys danced in costumes. They are now looking forward to carry on their work. TAD's tiger believes that Thadevileans had a successful year.

Vo-ee-theians

"The best things in life are free", admits TAD's tiger after a visit with the girls of Vo-ee-theians. Although it is primarily a social club they have contributed more than their share of service projects to the school this year. Their more important projects have included taking orphans Halloweening and having a roast for them, gathering clothes for missions, collecting pencils for UNICEF, and sending money to CARE. Their social calendar for the year included a formal dance, a slumber party, decorating the gym for the band mothers, and a very successful card party. This industrious group of girls has derived a great deal of pleasure through their many projects this past year. TAD's tiger closes by agreeing that Vo-ee-theians is certainly going places.

"Giving rather than receiving . . . this is the motto of all Pay-a-el-sa members" says TAD's tiger. This year the girls tried something new by devoting each month to a particular phase of service. November being voting month, the members washed car windows reminding their owners that the windows were made clean so that they could see their way clear to the voting booths. Other service projects included caroling at the Crippled Children's Home, making a Veteran's scrapbook, and clothing and feeding a family at Christmas. With so many service projects, money is of course a necessity. So came the selling of light bulbs and the giving of a card party to provide this money. A slumber party, a turn-about-party, an annual spring dance, and a Senior Banquet rounded out their social schedule. To the fine service rendered their school and city, TAD's tiger tips his hat to this service club

Junior Sorelles

"Their hearts are young and gay" is what TAD's tiger thinks when he sees the Junior Sorelles. Besides their many projects, the girls have worked on many projects which included an art show, a bake sale, and a salt-water-taffy sale. They also had a Mother and Daughter's dinner, a lumber party, and a turn-about-date party. The club was under the leadership of Emily Henry for the first semester. Sharon Tanner took over as president for the second semester. The twenty members of Junior Sorelles meet on the second Tuesday of every month in the rooming house. TAD's tiger tells us that Junior Sorelles has had a wonderful year and that next year will be just as good.

" 'S' is for our sisterhood, our sisterhood so dear," happily sings TAD's tiger at a Sorelles meeting. This is the first line to the club song which the girls composed themselves. The Senior Sorelles have tried to make their last year a memorable one by sponsoring many social and service activities. Highlighting these many activities was giving Christmas gifts and clothing to a needy family and ushering at the Senior Play. Their social activities included a splash party and an exciting treasure hunt. TAD's tiger could tell by the look on the girls' faces that they have had an exciting and profitable two years in Sorelles.

"Sociable as kittens in a basket," says TAD's tiger, describing this friendly club. The purpose of the club, to promote better social relationship among its members, was carried out very effectively this year. Some of their social projects have included a sleepless slumber party, a Christmas party, and a delicious progressive dinner. Another enjoyable occasion was their white elephant sale. A diamond-shaped photograph, oriented with its corners towards the top-left, top-right, bottom-left, and bottom-right. The photo shows three individuals. In the center is a woman with dark hair, wearing a light-colored, possibly white, dress or blouse. She is holding a baby in her arms. To her left (viewer's left) is a man with dark hair, wearing a light-colored shirt. To her right (viewer's right) is another woman with dark hair, wearing a light-colored top. The background of the photo is dark and indistinct. The photo is mounted on a light-colored, textured surface, possibly a card or album page. In the top-left corner of the page, there is a small, rectangular label with some text, but it is mostly illegible due to the image quality. The text appears to be arranged in a table-like format with several rows and columns.

"Miss Gray take a letter," commands TAD's tiger. This phrase will be very familiar to the members of Commercial Club in a few years. The girls have started paving their ways into the business world by inviting many of the leaders of various industries in the Toledo area to speak at their meetings. Practice makes perfect and the members have been working hard learning their future occupation. Many of them have jobs at the Y.M.C.A. doing various kinds of secretarial work. But it's not all work because they have had fun at a slumber party, a roast for new members, a bake sale, a tour through the city jail, and a delicious progressive dinner. TAD's tiger knows that the girls will keep helping its members to become acquainted with the business world so they will be able to enter it with self confidence and become a success.

"The Lord is my shepherd, I shall not want... these are familiar words to all Christian Youth Club members," says TAD's tiger. The club, interdenominational by nature, holds prayer meetings every Thursday afternoon at the close of school. The Christian Youth Club has helped its members by strengthening their belief in God and providing Christian experience. A few of the members plan to go into training after graduation for some kind of full time Christian service. The meetings include Bible reading and discussion, guest speakers, group singing, food, and fun. TAD's tiger is pleased that so many young people are interested in Christian youth.

Debate

It's better to debate a question without settling it, than to settle it without debate," says TAD's tiger. The members of Debate Club know this and at their meetings they discuss current events and a certain national topic sent to them annually by the National Debate Club. The club meets twice a month right after school in their advisor's room and from then on there are two votes to every question. These debates are conducted in an orderly manner which helps keep their views interesting. The Debate club has been very successful in allowing them to express themselves freely and to get acquainted with problems which concern all of us. TAD's tiger can now say that he has learned to consider a question after attending a debate.

Chess

'Checkmate marks the end of another chess player's day. The DeVilbiss Chess Club was founded so that those who love chess could share their interest and improve their game. The club has wishes to promote and interest in chess among DeVilbiss students. At regular intervals the members play chess with each other. The games are then recorded and the players are ranked according to their records. The DeVilbiss Chess Club is a member of the Toledo Area Chess League which is a league of clubs in Toledo and the surrounding area. The club is open to all students who are interested in chess. The club meets weekly on Friday after school. The club is a part of the school's extra-curricular activities. The Toledo High School Chess Club is TAD's tier one club. The club has much interest in chess and is an ancient game.

For one thing, it was not until I heard who was the I.V. for the week that I meets at the Colony between A. and B. good sportsmanship and for any of the purposes of this society, and I am sure the members of the order will be very glad to have the tiger and his family, and I am sure they will give and receive friendly advice from the members of the club. "Viva Mexico!" says TAD's tiger and with a cheerful "adios" this fine group of boys depart for their armchair trip south of the border. Los Gauchos is the newest Spanish club at DeVilbiss, but is well on its way to becoming quite popular. An interest in the Spanish-speaking countries is the only requirement for a passport. Los Gauchos sowed grass seed on the football field and had a bake sale. They also bought a movie screen for the Spanish department and delivered food to needy families on Christmas and Thanksgiving. The boys have more to offer such as growing knowledge of our southern neighbors. "Viva Los Gauchos!" says TAD's tiger

Charlemos

"Buenas Dias," "good day" is the greeting that TAD's tiger receives when he visits a meeting of Charlemos Spanish Club. Providing a meal for a needy family and also a scholarship for the University of Toledo highlight their year of service. A card party and a bake sale were also on the agenda. TAD's tiger certainly has a difficult time understanding what is said when he drops in on this club since all formal inductions are conducted entirely in Spanish. A student must have completed one year of Spanish or one semester with an "A" average to qualify for membership. Every meeting is opened with the Lord's Prayer recited in Spanish. TAD's tiger proudly admits that this club certainly helps its members to better understand their Latin American neighbors.

Fruehlich

The German proverb, "Die Zeit hat Fluge," time has wings" certainly proves true for Der Deutsche Verein. This industrious club conducts its meetings entirely in German. A Christmas party with the Woodward German Club, movies speakers, and a picnic were major events this year. TAD's tiger often wondered what was taking place in the library during the Christmas season those late evening hours. When it was announced that Der Deutsche Verein won third prize for its Christmas decorations, his question was answered. The club meets twice a month at which gay seasons, German music is sung and the Club's own orchestra accompanies. TAD's tiger agrees that the club is very lively.

Their meetings and inductions are conducted entirely in Spanish and are authentic to them. They have also arranged of several times to watch a Mexican film and to have a good anytime feeding. They are also very friendly with the Mexican La Alianza. They intend to take the club to the United States soon. Their social activities are held in the Amaya Club. They also have a truck supply IAL with food and supplies such as La Alianza and to further the understanding of the club.

The front row is seated, the middle row is kneeling or sitting low, and the back row is standing. They are all dressed in mid-20th-century attire. The image is somewhat faded and has a grainy texture.

Going, going, gone", says TAD's tiger. This same phrase is spoken many times when the boys in Stamp and Coin Club get together at their auctions during the year. With this very interesting and educational hobby the boys have spent many enjoyable times while promoting interest for all. Every first and third Wednesday of each month talks are given by members for the advancement of the club. These talks include the display of exhibits and the showing of slides. Their two main projects were an exhibit of Christmas seals in the library and sending stamps to wounded veterans in hospitals. Auctions, trading sessions and a club library completed their full schedule. TAD's tiger says, "Start a collection of stamps and coins and join this club."

"You can take my pulse any time," sighs TAD's tiger after leaving a Future Nurses meeting. This year Future Nurses have been getting their instruction at Mercy Hospital where they take turns being nurse's aids. The purpose of the girls is to help the sick and the needy by doing things for them. At Christmastime they collected old clothes for the people at the Toledo State Hospital. They also made favors for the old folks at the Marigard Home and the Colonial Rest Home. Their money making project for this year was a bake sale.

"You'll see stars if you're a member of this club," says TAD's tiger. For seeing these stars the Astronomy Club is busy at work building their own telescope. This project is being financed by the saving of tax stamps. In the meantime, their viewing of the heavens is done with the Toledo Astronomical Society in the observatory at Toledo University. The club meets once a month with the society and once a month with its own members. At these last meetings reports, demonstrations, and projects that have been completed are presented. On the social agenda, the club has held a picnic and a star-gazing party. After leaving an Astronomy Club meeting, TAD's tiger feels like shouting, "All aboard, next stop Mars".

Athletics

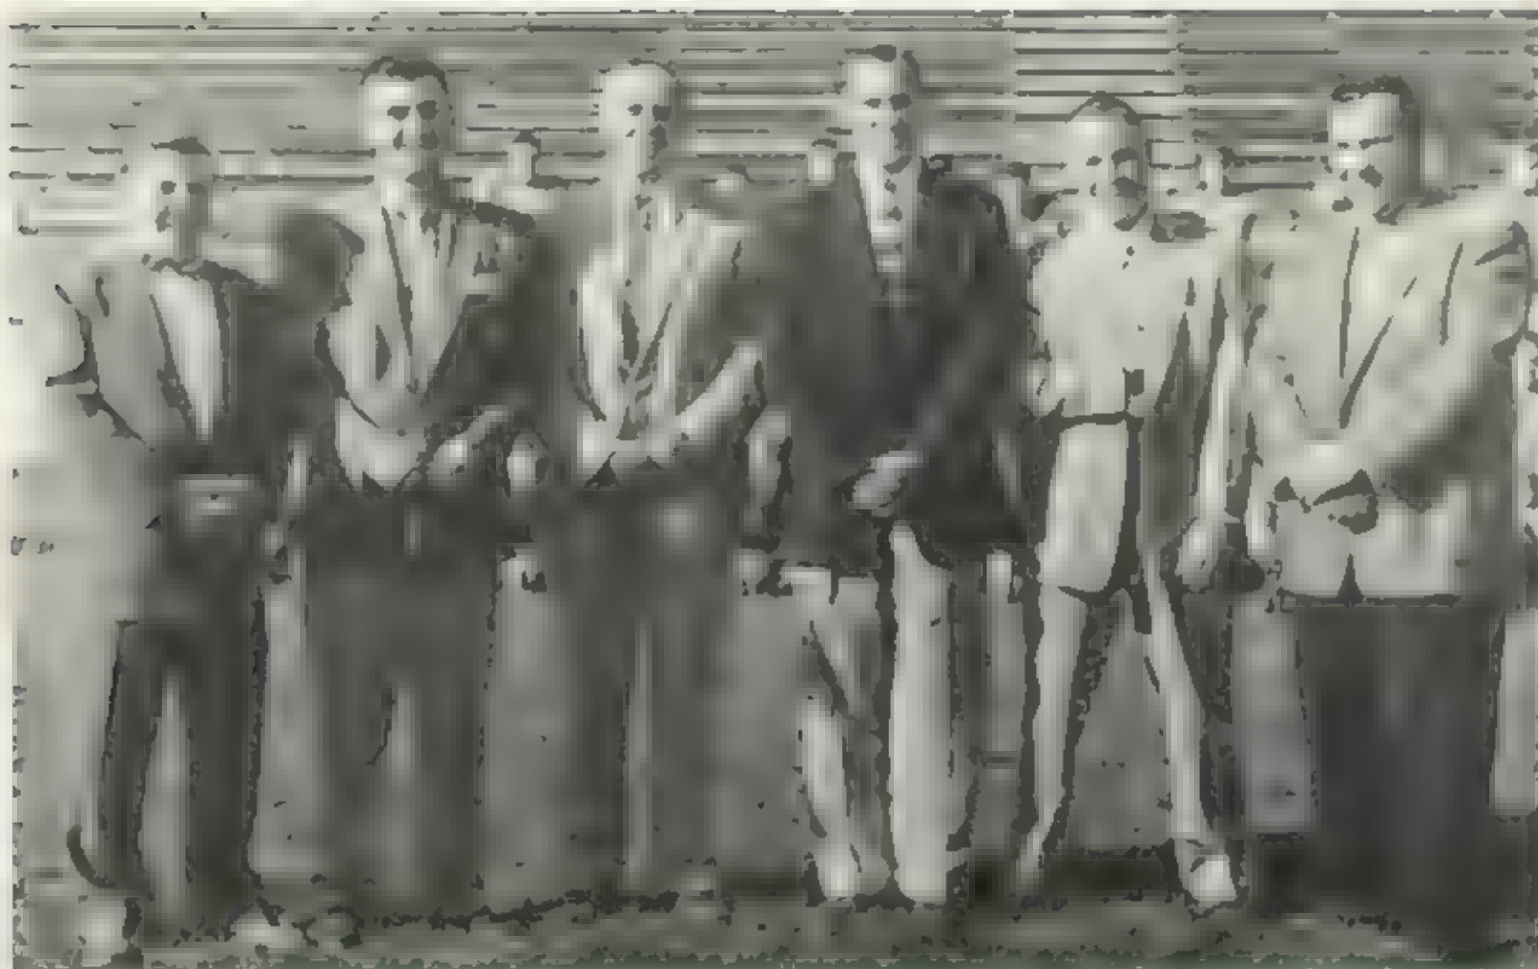

When TAD's tiger looked into the varsity locker room at the end of a day and saw the array of sporting equipment, he began to think of the importance of athletics at DeVilbiss. To the athletes themselves, he knew that it meant many hours of work and practice, the fun of participating in competition, and the reward of creating lasting friendships. To the student body, athletics is the uniting force for school spirit and the pattern for sportsmanlike behavior. High standards are important to the team as they play throughout the city, for they reflect and represent DeVilbiss. Our teams try to keep these standards of sportsmanlike behavior at all times, whether in school or in the community. For these reasons TAD's tiger is proud of our athletic teams and the part they play in school life.

A timely jump shot puts DeVilbiss back in the lead

A... Buzz Mewhort

Improving 100% as the season progressed DeVilbiss' varsity squad again took second place in the City League. The eight-win and four-loss record tied them with Central for the runner-up spot. In overall competition, the Tigers finished with a ten-eight record. In the city they posted double wins over Waite, Libbey and Woodward. They also split with Central and Scott, but dropped two games to Macomber. Led by junior Buzz Mewhort, who averaged over twenty-four points and nearly

twenty rebounds per game, the Bengals won their first tournament game against Rogers, but dropped their second to Scott. Buzz was an All-City and honorable mention All-State selection, while captain Jim Holliday, who averaged nearly ten points per game, was honorable mention All-City. Coach Tom Inman is looking for a title-contending team next year with five juniors from this year's squad and many promising sophomores from the light-weight team

Baseball

"The players show much enthusiasm, determination, and interest," said Mr. Kies. Commenting on the team at the start of the season, those were the words of praise head coach Mr. Kies gave his team. DeVilbiss' starting nine was predominantly a young team with only three seniors in the lineup. Starting the season with all the fire and pep of a young, rugged ball club, the boys won four of their first five games. With pitchers like Phil Buell, Dave Cobb, and Bob Polyosko, DeVilbiss had more than enough "bench strength" for those close games. On May 4, behind the five hit pitching of Phil Buell, the Tigers blanked Macomber 2-0 to capture the sectional championship. On Monday, May 14, the Bengals dropped previously unbeaten Anthony Wayne by a decisive 3-0 score to become the new Class A District Champions.

The DeVilbiss intruders looked very impressive as they started out the season by downing Waite 66-52. Many of Coach Dave Hardy's best men set a precedent in this meet by finishing first in their event. Dan Kwiatkowski and Dick Friedmar were consistent during the season usually finishing first and second in the low hurdles. The Tigers were not poor

in any event and usually placed one or more men in the first three places. John Dresser and John Geisler were Mr. Hardy's starters in the hundred-yard dash. Russ Waggoner was only one of many on the squad who participated in more than one event. He was one of the top pole vaulters and also a high jumper. In the annual Night Relays a fairly strong DeVilbiss

squad was nosed out in the final four or five events and had to settle for a fourth place. One bright point in the meet was a new meet record in the shuttle-hurdle relay of 43.1 seconds set by the team of Waggoner, Friedmar, Kwiatkowski, and Geisler. Coach Hardy looks for a better showing in this year's Night Relays as many juniors were on last year's squad.

Mike Burestynski puts the shot to add more points to Tigers' Night Relays total.

Golf

After a long and hard season, the golf team, coached by Don Park, finished their season with a record of 44-10-1. The Tiger team started a 44-10-1 record, with four wins and two ties in their league play. The squad finished the city season in third place. Coach Don Park owned the following letters: Captain Dick Alexander, Dick Park, John Nolan, and Karl Huls, sophomores; and Bernie Garber, senior.

The Tiger squad started their season by losing to Lima 10½ to 5½, but fell into the victory column when White and Libbey, 20-4 and 17-7. They then beat Scott by 19-5 and shut out Woodward 24-0. The Tiger team finished their season with a 44-10-1 record to Central and Marquette.

THE "GOOD OLD DAYS"

You've heard folks say, "Take me back to the good old days"! Well, if they're referring to the horse and buggy and kerosene lamps—they can have those days. If they're thinking of taffy-pulling parties and two-bit haircuts — they may have something worth talking about.

But when it comes to the advantages of our modern school architecture, we know that many of today's buildings are tops! You see, more and more school boards are paying careful attention to daylight and view—with clear glass in classrooms from sill to ceiling. Taxpayers like Daylight Walls, too. They are economical to build and to maintain. And when windows are of **Thermopane** insulating glass heating costs are lowered and rooms are quieter.

Tuf-flex tempered glass is used on school elevations next to playgrounds and in gymnasium windows. It is heat-strengthened to withstand three to five times more impact than regular plate glass of the same thickness.

Thermopane Insulating Glass

When reflecting upon the many advantages of this glass age we live in, we think you'll agree that the good new days are better!

Fiberglas materials, in many versatile forms provide excellent economy and quality in thousands of products. Small wonder people say . . . **What'll they do next with Fiberglas materials?** The only limit is man's ingenuity. Sparking that ingenuity and helping it work new wonders continues to be our main challenge at Owens-Corning.
